## Outside School Hours Care

## Welcome to Helping Hands Woollahra – Before School, After School & Vacation Care fun!

At Helping Hands, we pride ourselves on providing children with fun, play-based learning experiences that meet all your family's needs. From exciting activities, healthy nutritious food, to caring and motivated team members, our focus is always to ensure that your child is safe, cared for and most of all has fun!

### What happens at Helping Hands?

Whether your child attends OSHC daily or only occasionally, each visit is an exciting and engaging adventure. After a structured day at school, it is important for children to have the chance to relax and participate in activities they enjoy. That's why we provide a selection of planned and free play activities, offering children plenty of choice – such as art and crafts, sports, cooking, drama, board games and much more. We also ensure children have the chance to complete their homework and lend a helping hand if required.

#### Before School Care
